

Year 3 Newsletter

Building Strong Relationships
Excellence in Teaching and Learning

Term 1, 2020

Week 3

The year 3s have had a great start to 2020. They have begun to develop their understanding of classroom expectations, norms and daily routines.

Students have been learning about Australia Day and what it means to be a part of a community. This term we will be focusing on communities that exist within and around Australia.

Once again year 3 and 5 students are doing NAPLAN online. In the classroom, students are being exposed to various NAPLAN-style questions, not only to prepare them for the assessment, but to also support their learning and develop confidence.

Reading

It is the expectation that students in Year 3 read for a minimum of 15 minutes per day. Every student has access to their designated reading tub. They are to choose a take home book if they do not have a good fit book that they are already reading.

In year 3 students are now able to borrow three books from the library. Students no longer need a book bag to borrow, however If your child would like to continue using their book bags that will be fine.

Upcoming dates...
